As part of the cultural experience for foreigners, the course will use *Buchaechum* (a Korean Fan Dance), one of the signature forms of Korean dance to make the participants feel and comprehend Korean style and sentiment.

Description:

■ *Buchaechum* (a Korean Fan Dance)
Buchaechum (a Korean Fan Dance) a dance form of holding fans in both hands to perform in various beautiful shapes, such as bird, flower, butterfly and wave.

Objective: The course aims to allow the participants to comprehend the Korean traditional culture and feel the Korean national sentiment embedded in such culture through dance. The participants will sequentially learn Korean dance from its basic movements to intensive movements. During the last week of the course, the participants will complete and present their dance works utilizing the studied movements.
