JEAN KIM
ILLUSTRATION

www.jeankim.me
jeankim0805@gmail.com

Jean Kim is a distinguished designer and an adjunct professor of visual design at Ewha Womans University. An acclaimed author-illustrator and doodling artist based in Korea and San Francisco, she is proudly represented by Rebecca Sherman at Writers House.

She holds a BFA and MFA in fine art and graphic design from Korea, alongside an MFA in illustration from the Academy of Art University in San Francisco. A dedicated member of SCBWI, her exceptional work has garnered numerous international awards, including the prestigious 2015 Portfolio Showcase Honor, and has been actively featured in various exhibitions worldwide.

Her internationally published picture books include her author-illustrator debut, **'RABBIT MOON' (Scholastic Books)**, and **'WIDE-AWAKE BEAR' (HarperCollins Children's Books)**, for which she contributed her unique illustrations.
